The Board of Directors CREDIFIN Limited

100

 We have audited the accompanying Statement of Financial Results ("financial results") of CREDIFIN LIMITED ("the Company") for the quarter and year ended 31st March, 2025 being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations, 2015") (as amended).

In our opinion and to the best of our information and according to the explanations given to us these aforesaid financial results:

- a) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards "IND AS", RBI guidelines, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter and year ended 31st March, 2025

### Basis for opinion

2. We conducted our audit in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Companies Act, 2013 "Act". Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial results.

### 3. Management's and Board responsibility for financial results

These financial results have been compiled from the financial statements. The Company's management and Board of Directors are responsible for the preparation and presentation of these financial results that give a true and fair view of the net profit, other comprehensive income and other financial information, the statement of assets & liabilities and the statement of cash flows in accordance with the recognition and measurement principle laid down in IND AS prescribed under Section 133 of the Act read with relevant rules issued thereunder, the circulars, guidelines and directions issued by the Reserve Bank of India "RBI" from time to time (RBI guidelines) and other accounting principles generally accepted in India and in compliance with regulation 33 of the listing regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the statement of financial results, management and Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the company or to cease operation, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### 4. Auditor's responsibilities for the audit of financial results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design
  and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate
  to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher
  than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations,
  or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for explaining our
  opinion on whether the company has adequate internal financial controls system in place and the operating
  effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors;
- Conclude on the appropriateness of management's and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and
  whether the financial results represent the underlying transactions and events in a manner that achieves fair
  presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
